Subject :- Relaxation of eligibility condition for promotion to Joint Director –regarding.

Sir,  
I am directed to refer to ESIC's letter No. A-22/12/1/2015 E.1. (Pt.) dated 17.11.2016 on the subject mentioned above and to say that the proposal has been examined. It is observed that the situation has arisen due to eligibility clause provided therein wherein qualifying service for promotion is to be counted not only in immediate lower grade but in posts even two level below. This has created situation in which some promotee junior Dy. Directors have been promoted having completed the requisite qualifying service in lower grades whereas DR officers have been left out.

2. ESIC is therefore requested to examine the issue and send the proposal to this Ministry for amendment to Recruitment Rules in consultation with UPSC.

Yours'faithfully
