

APPENDIX-I

Criteria for revision of the posts:-

1. At present 519 posts of Deputy Directors (including STS) and 140 posts of Joint Directors are sanctioned. To maintain appropriate ratio between feeder cadre and promotional cadre and considering the functional requirement, 180 posts of Sr. Deputy Director have been proposed from the feeder cadre of Deputy Director and reducing 46 posts of Joint Directors maintaining total No. of posts in the cadre of Deputy Director + SR. Deputy Director + Joint Director as 659.
2. In most of the places where posts of Joint Directors have been reduced, it has been substituted with Sr. Deputy Director.
3. In most of the hospitals, one post of Sr. Deputy Director has been proposed against Deputy Director considering that in hospital post of Medical Superintendent is of SAG level and an appropriate level officer is required there.
4. In most of the Regional Offices, Post of Sr. Deputy Director has been proposed considering increase in workload at Regional Office level such as work related to ESIC 2.0, implementation of ESI Scheme in new geographical areas, shifting of work of SMC/SSMC offices at Regional Office level.
5. All the post of Deputy Director in Hqrs. have been proposed to be substituted with Sr. Deputy Director as officers with sufficient experience and exposure are required at Hqrs. level to make useful contribution in policy making and for its monitoring and proper implementation in field offices.
